Greetings friends in Christ!

As the school year gets ready to start up again I've noticed a lot being shared about how to encourage kids to be welcoming to others in the classroom and how to make sure all kids get included. We want to encourage our youth to make sure that they are welcoming and kind to those who they meet, whether or not they look like them, whether or not they act like them, we encourage kids to be open to the other students. I think that this is an important message that extends beyond the classroom to the church.

Romans 15:7 reads: "Welcome one another, therefore, just as Christ has welcomed you, for the glory of God." How do we welcome one another as the body of Christ? When you see we have a guest with us on a Sunday morning how do you greet them? It doesn't even have to be a guest, it can just be someone you haven't met yet. Part of being church means to offer extravagant and warm welcome, not just to our friends, but to guests who may or may not look or act like us.

If we are honest it takes a lot of courage to attend a church for the first time. You are walking into a building where a majority of the people gathered are familiar with the layout, the routines, the location of important areas, and who know each other. That can be an incredibly intimidating setting to enter into and so when we see someone who is possibly attending for the first time, we have a Christian duty to go out of our way to make sure they know that they are welcome and to offer them a potential guide through all of the unique habits of our congregation. It can help visitors to have a "veteran" of the church sit with them during the service to help them navigate the bulletin, hymnals, or routine of that service. Inviting them to sit with you at our coffee hour or to any of our upcoming events will let them know that they are welcome to be with us outside of Sunday morning worship. Remember, I can't always make it to greet every visitor who comes into the building. Guests need to know they are cared about by the entire body of the congregation, not just the paid staff.

What if you have noticed a repeat guest and haven't said hi to them yet? Go over and introduce yourself and offer to sit with them or just get to know them. Please don't assume someone else has already greeted them or made them feel welcome, that might not be the case. Always err on the side of grace and hospitality and introduce yourself. If they've met others in the congregation they simply have the pleasure of knowing one more person. But if they haven't met anyone yet, your kindness could be the way they recognize that there is a place for them here.

I know one of the favorite reasons people give for not introducing themselves is that you are afraid they have been a long time member of the church and you just don't know them and you don't want to offend them. Do not be afraid of introducing yourself to someone who has been here. You don't have to start a conversation off with "Welcome to St. Luke's." You could simply say: "I don't believe we've met" and then ask about them. There is no harm in meeting a new brother or sister in Christ whether or not they are a guest or a long time attendee.

There's also a nice rule of thumb called "The rule of three." Simply it is asking that you do not talk to other members for the first three minutes after the service has concluded. Talk only to those you don't know or people you know are guests. It takes guests about three minutes to exit the church after worship and we want to make sure someone has made contact with them before they leave.

Finally, above all, remember that welcoming is not about "getting new members." Welcoming is about making sure the people who visit St. Luke's understand the welcome that we have from Christ through the welcome they receive from us.

Blessings,

### BIBLE SUNDAY

On Sunday, September 30 we will have our Bible Presentation Sunday at our 5th Sunday bash service. When students enter third grade we dedicate a time during the worship to recognize the promise parents made during their child's baptism to place the Scriptures in the hands of their child. On this Sunday, parents will be given a Bible (with your child's name on the inside) for you to place into your child's hands. There will be Sunday school during the 5th Sunday bash.

### FIRST COMMUNION

We will be holding our first communion classes for our students who are entering into fifth grade. The dates scheduled for this series of five classes are: Sunday, October 14, October 21, October 28, November 4, November 11 all from 6:00 – 7:00 p.m.

### TRUNK OR TREAT

Our Sunday School will host a Trunk-or-Treat event open to the community on Sunday, October 21 at 6:00 p.m. We will need many volunteers to make this event a success. Bring your car and decorate your trunk and pass out candy to the children in attendance. If you would like to donate candy to be handed out please bring it to the office. We will have activities inside as well.

In the event of inclement weather, we will have our "trunk-or-treat" inside.

### **CONFIRMATION UPDATE**

Our Confirmation program for our 7th – 9th grade students is looking a little different. Our students have incredibly busy evenings during the school year and so we have moved to a self-directed model for confirmation. It is called: "Choose Your Own Adventure" and it calls for our students to study with provided materials, participate in different ministries in the church, learn more about the wider church-body, and meet more of our congregation members. They are given a packet with requirements in each category that match up with one of the promises they will make at the Confirmation. There will still be a "third year" component including a required retreat. If you would like to know more, please speak with Pastor Robyn.

### **ACOLYTE TRAINING**

Any youth 5th grade and older who would like to participate in worship as an acolyte is invited to attend a training session on September 9th at 2 pm following the Confirmation Kick-off. Pastor Robyn requests that all acolytes, new and old, come to the training. If you are unable to make this date please make arrangements with Pastor Robyn for a make-up date. Please sign-up in the back of the sanctuary or by contacting Pastor Robyn.

### **BLESSING OF BACKPACKS**

Students should bring their backpacks to worship on September 9 for a blessing. We will bless backpacks at all three services.

## ADDISON'S DISEASE

Included in one of the auto-immune diseases, is a condition called Addison's Disease. It is very rare affecting about one out of 100,000 people, both men and women at any age. President John F. Kennedy had this disease. With Addison's disease the adrenal glands, located just above the kidneys, do not produce enough hormones, called cortisol and aldosterone.

With this condition, the cortisol production is decreased which regulates the body's reaction to stress and regulation of protein, carbohydrates, and fat. Cortisol also helps regulate blood pressure, heart function, and controls inflammation. The hormone called aldosterone, regulates the balance of salt, potassium, and water in your body. Weak muscles, decreased heart rate, low blood pressure, fainting, fatigue, body hair loss, blotchy skin with darkening, diarrhea, and vomiting are some of the symptoms. Eighty per cent of the time the cause is an auto immune disorder, where your own body destroys cells in the adrenal glands. Infections and medications can also cause this disease. Blood, urine tests, and an ultrasound of the adrenal glands can diagnose this condition.

This disease is easily treatable with hormone replacement. Hydrocortisone and prednisone is given as a lifelong treatment. Individuals can enjoy a healthy and thriving life when they are regulated with treatment.

Many Blessings, Judy Diener R.N.

## SIGGI'S LUNCH BUNCH

This August we are celebrating our fourth anniversary. On August 6th, 2014 we went to our first luncheon at "Black Forest Café".

I don't recall how many came but I remember we had a very nice time.

Our August luncheon this year we went to Judy Nieman's cottage on Wampler's Lake. This is the third or fourth time we went there and we always have a really great time. We take a dish to pass and play games.

This year we had 9 in attendance: Linda Olrich, Judy Gephart, Marilyn Bexten Doris Przelawski, Mary Jean Bell, Judy Nieman, Dory Noble, Sally Georgeson and Nancy Brushaber.

We played cards, bingo and won some beautiful prizes.

This month we collected for school supplies and \$30 was collected.

We changed a few of our restaurant choices for the rest of the year. Sept 5, we are going to "Nick & Jimmy's" on Lewis. October 3rd will be at church for the "Style Show" and potluck. If you are interested in being a model, please give me a call.

November 7th, we are going to "Pete's Garage" in Monroe. They are located at 93 N. Telegraph.

December 5th is our Mancy's Steak House on Phillips. We hope you can attend one or all of our luncheons. We always have a very good time and a lot of fun..

Nan

Your thoughts and prayers are needed for my recovery. —  
Yours in Christ, Norm Snyder.
