ST. LUKE'S TRUNK OR TREAT

October 21st, 2018 6:00 pm.

Trick or treat throughout the church and party in the Koinonia Center!

We have a sign up for anyone who would like to decorate their vehicle in our parking lot and those who would like to help hand out candy.

The more hands, the more fun!

Greetings friends in Christ!

First, I want to thank you all for your amazing support, prayers, and love on the loss of my father. It is a blessing to have such a strong faith family to surround us with the love of Christ during a time of grief and mourning. The sheer amount of care shown through the cards and donations touched our hearts. We are incredibly appreciative of each and every one of you! Thank you again!

Part of my time away before my dad's passing was dedicated to continuing education. One of the books I read during that time was *Lasting Impact* by Carey Nieuwhof. It is a book that is designed to encourage discussion and engagement regarding church growth and decline, healthy leadership, cultural trends, and change. I was incredibly impressed with his work and I thought to myself that it would make for a good series of newsletter articles. So, for a few months I will be using his material to hopefully spark some engagement, conversation and consideration at St. Luke's

Nieuwhof's first chapter is "Why Are We Not Growing Faster?" This is a question that is heard across the church throughout the US. He acknowledges that this can be a very touchy subject and that as much as church leaders may dismiss growth as being less important than discipleship, the majority of questions he has received relate to this topic. He writes: "Church growth can bring out a beast in some of us. We can over-focus on it. It can also distort our perception of ourselves. When our church is growing, it's easy to think we can do nothing wrong. And when we're not growing, it's easy to feel as if we do nothing right. Neither is healthy."

It is easy to get excited when we see visible, numerical growth. It's nice to have a full sanctuary. But we need to remember that growth needs to be centered in mission. We ought not seek growth for growth's sake but because we want to be good stewards of the Gospel message and see our mission of reaching out to people with the message of grace found in Christ.

Included in this chapter is his list of 10 reasons the church isn't growing, or growing as quickly as one would like. This is not an exhaustive list, of course, and not every point relates to every congregation. Nieuwhof condenses this list then into three overarching causes of decline: 1. Internal dysfunction that is sapping the community of its life, such as conflict; wrong people in wrong places; unrealistic expectations of staff, boards and volunteers; 2. Structural issues, such as boards that micromanage or pastoral care being vested in one or a handful of leaders; 3. An inward focus that refuses to acknowledge the need to change to be effective with outsiders.

What I really appreciated about his writing, though, is that he kept a hopeful focus. He listed out characteristics of growing churches which includes: main services engage teenagers; you're good with questions; you're honest about your struggles; you have easy, obvious strategic, and helpful steps for new people; you've dumped all assumptions; your outreach isn't a program; and you are flexible and adaptable.

At St. Luke's we have a mix of characteristics from both categories. But what I love about St. Luke's is that the people of God here want to continue moving into the mission of Christ and sharing it with the community.

If we focus on having a sense of mission that is white hot which cannot be muted we will continue to move into the future. There is no silver bullet for growing the church. It's something that takes time, intention, and most importantly a love for God. Let's get excited about the mission we have been given here at St. Luke's and turn our vision upward and outward!

Blessings,

Members of St. Luke's

Thank you so much for all of your prayers , love and support through my Dad's illness and on his passing. It means so much to me to know my brothers and sisters in Christ have been holding us in prayer.

Blessings,

Pastors Robyn & David & Lucas

LOVE U

Classes have started for our college students and we have a big group this year! We have 20 college students that we would love to send out care packages to show them that St. Luke's is praying for them and supporting their efforts. We will need help from the congregation to fulfill this effort. We are requesting individually wrapped items to send them. Some examples are gum, cookies, candy, breakfast or granola bars, chips, fruit snacks, trail mix, Ramen, nuts, tissues, toiletries, school supplies, etc. More importantly, encouraging notes and prayers will be gladly appreciated. Monetary donations will be accepted to help with postage and to add to the donations if needed. Any donation will be extremely helpful.

Thank you, Shepherding.

GET INVOLVED

Looking for ways to be involved at St. Luke's? Here are some one time commitment events coming up where we could use your help with!

Trunk or Treat. Sunday, October 21. 4:30 – 7:30 pm. Set-up, have a trunk, help with games, help in the kitchen, clean-up.

People willing to model for our high school youth different skills such as: simple sewing (i.e. buttons, etc); basic home maintenance; what is involved with voting; etc.

Send notes to our college students or help with care packages.

SERVICE OPPORTUNITIES

Bring donations for the Social Concerns collection to benefit our hygiene cabinet for local school children who are homeless/transient/in need.

PERSONAL HYGIENE BAGS

Social Concerns Ministry was made aware that there are a number of homeless children in Bedford Public Schools. We would like to respond to this need with an on-going ministry that will supply age appropriate hygiene items to children who are identified by teachers, counselors or nurses.

At the moment, we will concentrate on boys and girls in the elementary grades. We are looking for donations of shampoo/conditioner, tooth paste, soap, body wash, wash rag, hand towel, deodorant, hair brushes, comb or scrunchies.

A small toy would be a nice addition to include, or a coloring book with crayons, etc.

A cash donation is also acceptable and we can purchase the items for you.

Many Thanks for your help in this ministry.

THE LIBRARY LOOKS AMAZING!!!!

Thanks to everyone who helped make this possible: Denzil & Mary Jean Bell, Chuck & Judy Schreiber, Linda Olrich, Judy Gephart. It looks wonderful, organized and back to its original glory. We appreciate all of your help!

FLU VACCINATIONS: OCTOBER 14TH

Get Your
Flu
Shots

MEAL WITH A MISSION

The Grand Commission Latin American (GCLA) church in Choluteca Honduras had one mission when they first started. That was to improve the living conditions of their community and teach local people God's love and forgiveness. GCLA Choluteca has done lots of work in their community from building homes, providing health care, nutritional programs and learning programs for local children, running an orphanage, providing jobs in the community, and developing an open place to worship without judgment or barriers. For over 20 years Cedar Creek church in Ohio has partnered with GCLA Choluteca and Rock City Church in sending mission teams and raising money to support their many ongoing projects that began as a vision for the future of their country written on a napkin.

St. Luke's will be joining in raising money and supporting the mission throughout the year starting with a delicious Honduran dish. Join us November 10th at 2:30pm in our first fundraiser for this cause by filling up with Traditional Honduran Tostadas and hearing more about the mission work and beautiful Honduran community around the GCLA church in Choluteca. Donations will be collected by plate and info on other ways to give and support their projects will be available.

Gluten free and vegetarian options will be available.

If you would like to attend, a sign-up sheet will be in the back narthex. Please sign up by Sunday, October 28th. If you are interested in helping set up/take down or preparing the meal, email me at sarah.herr@rockets.utoledo.edu with your name and contact information so I can get ahold of you about helping.

Come hungry and ready to find out ways to spread God's love across borders.

I hope to see you there!

-Sarah Herr

MIDDLE SCHOOL MINISTRIES

TRUNK OR TREAT HELPERS As part of the confirmation program the youth participate in the annual Sunday School Trunk or Treat event. They help set up, work stations, and clean up from the event. Please mark Sunday, October 21 from 4:30 – 7:30 pm on your calendars to help with this event.

HELP NEEDED! We have been made aware of a need in our community for middle school aged children. There is a need for a safe space for these kids to gather and a need for healthy mentors. If you would like to help organize our middle school ministry so that we can help meet this need, please contact Pastor Robyn or Courtney Barthle.

CONFIRMATION UPDATE

Our Confirmation program for our 7th – 9th grade students is looking a little different. Our students have incredibly busy evenings during the school year and so we have moved to a self-directed model for confirmation. It is called: “Choose Your Own Adventure” and it calls for our students to study with provided materials, participate in different ministries in the church, learn more about the wider church-body, and meet more of our congregation members. They are given a packet with requirements in each category that match up with one of the promises they will make at the Confirmation. There will still be a “third year” component including a required retreat. If you would like to know more, please speak with Pastor Robyn.

Dear St. Luke's Friends-

Our Heartfelt thanks for the truly beautiful 50th anniversary cake, the special flowers on the altar, and especially the 50th anniversary cross wall hanging. Everything was perfect and having so many friends from St. Luke's share our special milestone was very enjoyable. Our sincere thanks for the whole day-

With much love,

Chuck & Judy Schreiber

SIGGI'S LUNCH BUNCH

On September 5th, we went to "Nick & Jimmy's" on Lewis Avenue. It was decorated with a lot of old posters. Our waitress was Jessica, a very good waitress, and took excellent care of us. I know Phyllis Snyder and Judy Schreiber had a delicious salad. It was served in a soup bowl with the bacon and croutons served in small cups beside the large bowl.

We signed two cards, one for Pastor Robyn as she just lost her father. The second was for Frank & Diane Paine's anniversary on 9-5-18.

At the luncheon there were 14 ladies in attendance: Doris Przelawski, Marilyn Bexten, Dory Noble, Judy Gephart, Judy Schreiber, Linda Olrich, Judy Nieman, Mary Jean Bell, Pat Arthur, Sally Georgeson, Shirley Fleeson, Evelyn Janick, Phyllis Snyder and myself, Nan Brushaber.

Our collection this month was for the Bell Family mission trip. We collected \$70. Mary Jean Bell told us about the beds that were set up through our donations to Now I Lay Me Down. Each bed comes with a mattress, sheets, pillow, a book and a stuffed animal. We will be collecting for the beds in January, February and march, 2019. If you would like to donate to the beds, please let me know.

Our next meeting will be October 3rd for our style show and potluck. Five of our ladies will go to American Cancer Society's Thrift Shop Discovery Store and will model what they purchased. Our models will be Sally Georgeson, Dory Noble, Judy Nieman, Mary Jean Bell, Marilyn Bexten.

If you would like to be a model please let me know. Please, also let me know if you are coming and also which dish you will be bringing. All women are welcome to join us. We always have a very good time. If you ever need a ride please let us know too.

See you in October!

Nan

REFORMATION SUNDAY OCTOBER 28TH

WEAR RED!

UNDERSTANDING MIGRAINES

Migraine headaches are acute or chronic headaches occurring several times a month or less, lasting 4 hours to 72 hours. There are four stages of migraines. The first is called *prodrome*, one or two days before with mood changes, constipation, neck stiffness, or increased thirst. The second is an *aura* which are symptoms coming before the headache such as visual problems, flashing lights or sensitivity to lights and sounds, or tingling on one side of the face or arm. The third is the *migraine headache* which is an intense throbbing headache occurring on one side or both sides of the head with possible nausea and vomiting. Fluid retention, and tingling or numbness of an arm or leg can accompany these symptoms. All one wants to do is to lie down in a dark and quiet place. The fourth is the *postdrome* after the attack when one feels drained or even elated.

Migraines are very common with those of a family history of migraines, often starting in childhood and adolescence. They are more common in women between age 15 and 55, often connected with hormonal changes.

Chemical changes in the brain occur and swelling of the blood vessels with migraines. Triggers include stress, sleeplessness, unusual smells such as paint, certain foods and food additives, changes in the weather, alcohol, and some medications. Keep a good headache diary, and take to your Dr. for treatment. The Dr. may order tests such as an MRI, to rule out other causes of headaches before treating you.

There are no cures for migraines, but try to avoid some of the triggers. Reduce stress, do regular exercise, quit smoking, reduce alcohol, maintain a daily routine, avoid estrogen products, and eat regular meals. Your Dr. may order medications for an acute onset to start early as soon as you feel the migraine starting. For mild migraines over the counter pain relievers are recommended. There are new drugs that help constrict and block pathways in the brain, caffeine combination drugs, anti-nausea medications or steroids. There are many new preventative medications now developed for migraines taken daily. Some people take certain vitamins, acupuncture, do relaxation exercises and have massages for migraines. For severe migraines anti-seizure drugs, anti-depressant and cardiovascular drugs, and even Botox treatments have been ordered.

God's Blessings, Judy Diener R.N.
